United Kingdom labour law regulates the relations between workers, employers and trade unions. People at work in the UK benefit from a minimum charter of employment rights, which are found in various Acts, Regulations, common law and equity. This includes the right to a minimum wage of £8.21 for over 25-year-olds under the National Minimum Wage Act 1998.

United Kingdom labour law - Wikipedia

Employment laws, also known as Labour laws, exist in almost every country and its ground idea of labour law is to fulfill the rights and obligations of the employer through a contract of employment. Labour law ensures that employees are treated equally in the workplace, discrimination is prevented and
