The casting director for Chicago, Pippin, Becket, Gypsy, The Graduate, the Sound of Music and Jesus Christ Superstar tells you how you can find your dream role! Absolutely everything an actor needs to know to get the part is here: What to do that moment before, how to use humour; create mystery; how to develop a distinct style; and how to evaluate the place, the relationships and the competition. In fact, Audition is a necessary guide to dealing with all the "auditions" we face in life. This is the bible on the subject.

Michael Shurtleff legendary course on auditioning has launched hundreds of successful careers. Now he tells the all-important HOW for all aspiring actors.

Michael Shurtleff has been casting director for Broadway shows like "Chicago" and "Becket" and for films like "The Graduate" and "Jesus Christ Superstar." His legendary course on auditioning has launched hundreds of successful careers. Now in this book he tells the all-important HOW for all aspiring actors, from the beginning student of acting to the proven talent trying out for that chance-in-a-million role!

Provides a guide to auditioning for film and theatrical roles with confidence, including tips on preparing for a role, finding the right monologues and songs to showcase talent, and dealing with creative criticism.

Sanford Meisner was one of the best known and beloved teachers of acting in the country. This book follows one of his acting classes for fifteen months, beginning with the most rudimentary exercises and ending with affecting and polished scenes from contemporary American plays. Written in collaboration with Dennis Longwell, it is essential reading for beginning and professional actors alike. Throughout these pages Meisner is a delight-always empathizing with his students and urging them onward, provoking emotion, laughter, and growing technical mastery from his charges. With an introduction by Sydney Pollack, director of Out of Africa and Tootsie, who worked with Meisner for five years. "This book should be read by anyone who wants to act or even appreciate what acting involves. Like Meisner's way of teaching, it is the straight goods."-Arthur Miller "If there is a key to good acting, this one is it, above all others. Actors, young and not so young, will find inspiration and excitement in this book."-Gregory Peck

THE STORY: An honest, moving and courageous drama set in the early 1960s about two Columbia students rooming together in New York: Doug, a white, rebellious, young man; and Paul, an African-American. When the two disagree on their defini-tions of l

A vital companion for actors in rehearsal - a thesaurus of action-words to revitalise performance, with a foreword by Terry Johnson. Finding the right action is an essential part of the process of preparation for the actor. Using this thesaurus of active verbs, the actor can refine the action-word until s/he hits exactly the right one to help make the action come alive. The method of 'actioning' is widely used in rehearsal rooms, but has never before been set down in a systematic and comprehensive way. 'If you want to act, or act better, Actions will take you a long way on the journey to excellence' Terry Johnson

"A must-have for all actors who encounter speeches that are longer than three sentences. On the surface, that would be classic works from Sophocles through Shakespeare-with the 17th and 18th centuries thrown in. Dig deeper and the book's value to actors of modern and contemporary drama is inescapable. Ibsen, Shaw, Williams, Miller, Shepard, Wilson, Kushner, and Suzan-Lori Parks all wrote plays that are filled with powerful rhetorical devices that demand lively, thorough, and specific consideration. This book is a guide that unfolds the mysteries of classical rhetoric in a clear, concise, and effective manner, a book for speakers who want to move their audiences. It is aimed at actors, but also belongs on the shelf of lawyers, advertising copywriters, and, of course, public officials. I will use it in my classes and workshops and enthusiastically recommended it to all actors and actor trainers." -Leslie Reidel, Department of Theatre, University of Delaware

First Time in Print Updated and expanded To win a role in a movie or on network or cable TV, you must make a strong first impression in your brief, crucial audition-and the first person you have to impress is the casting director. In How to Audition On Camera, Casting Director Sharon Bialy answers the twenty-five questions actors ask most frequently about how to nail an audition. What is the casting director looking for? If you mess up, can you start over? What is the most common mistake experienced actors make? Should you audition off book or can you look at the page? Should you dress in character? How much can you improvise? Actors-both novice and professional-are often misled by myths and outdated prescriptions. This guide replaces such misinformation with concise and accurate advice from someone who is in the room helping to make the decision on who gets the job. Bialy gets readers started immediately on the road to screen acting success.

The best actor never gets the role. But the right actor always gets hired and if you want to be the right actor, you need to create a well-paved pathway through the traffic jam that can slow you down, divert your attention and create stress behind the wheel of the career you're committed to driving forward. It's your journey and it's time for a career tune up, even if you're just starting out In this revised and expanded Next Edition to his popular book for actors, talent manager, educator and author Brad Lemack tackles the tough challenges actors face in seeking, building and maintaining rewarding careers in the new landscape. From the role of personal ethics and integrity to landing the role of a lifetime, Lemack teaches readers how to navigate through and thrive in a continually changing landscape in an industry challenged to redefine itself and how it does business. Whether you're new to the business or in need of a professional career rebranding, The New Business of Acting: The Next Edition will empower you with a critical perspective on how to create, map out and embark on a life-long journey that will earn you the career-building opportunities you seek.
