nerves. It also promotes physical relaxation.

6 Natural Solutions For Dog Anxiety | Dogs Naturally
All you have to do is combine 50 percent baking soda with 50 percent water and apply the paste to your dog's skin. After about 20 minutes, rinse completely. For a more moisturizing blend, add a little bit of high-quality coconut oil to the mixture. And if your dog is experiencing body-wide itchiness, you can also add some baking soda to its bath.

BAVH – British Association of Veterinary Herbalists
Valerian, Chamomile and California Poppy This trio of herbs can be used to treat a hyper dog. They are natural relaxants for dogs, and also have added health benefits, such as lowering blood pressure, asthma, and even working against pesky parasites. Tinctures, teas, and extracts all work well, although with Valerian, only a few drops are needed.

Herbal Remedies for Dogs | PetMD

The main difference between herbal treatment for dogs and Western medicine is how diseases and/or symptoms are being viewed. Doctors and vets who use solely Western medicine usually look at a disease
