to understand and
appreciate the

beautiful subject of

calculus. You will see

Online Library

Calculus 3

Calculus plays a fundamental role in all of science and engineering, as well as business and economics.

Understanding
Calculus: Problems,
Solutions, and Tips
In interval notation,
the solution is the set
[12,15]. Solve $2/jc < 3$.
Case 2. $x < 0$. $2/x < 3$.

Online Library

Calculus 3

$2 > 3x$ [Multiply by j .
Reverse the
inequality.], $| > jc$
[Divide by 3.] Notice
that this condition $| > x$
is satisfied whenever
 $jc < 0$. Hence, in the
case where $x < 0$, the
inequality is satisfied
by all such x . Answer
 $f < x$ or $x < 0$. As
shown in Fig. 1-1, the
solution is the union
of the intervals $(1, \infty)$

Online Library

Calculus 3

and $(-\infty, 0)$. Solve
negative.
