The Canadian Land and Emigration Company was an English company formed in 1861 to promote the sale of lands in the Province of Canada, most of which would later form the Municipality of Dysart et al in Haliburton County

Canadian Land and Emigration Company – Wikipedia

Canadaland is a Canadian news site, podcast, and podcast network that was created and published by Jesse Brown in 2013. By the fall of 2018, Canadaland featured podcasts on the media, art and culture, cooking, medicine, and politics; among these are Commons, launched in 2015, and Oppo, launched in 2018. Canadaland has been funded partly through advertisements, and since 2014, through the crowdfunding site, Patreon. In October 2018, Canadaland featured a five part podcast called Thunder Bay narra

Canadaland – Wikipedia

Canada shares a 5,525-mile- (8,890-km-) long border with the United States (including Alaska)—the longest border in the world not patrolled by military forces—and the overwhelming majority of its population lives within 185 miles (300 km) of the international boundary.

Canada | History, Geography, & Culture | Britannica

Land ownership in Canada is held by governments, Indigenous groups, corporations, and individuals. Canada is the second-largest country in the world by area; at 9,093,507 km² or 3,511,085 mi² of land it occupies more than 6% of the Earth’s surface. Since Canada uses primarily English-derived common law, the holders of the land actually have land tenure rather than absolute ownership.

Land ownership in Canada – Wikipedia

Canada is the second largest country on earth. It has three ocean borders: the Pacific Ocean in the west; the Atlantic Ocean in the east; the Arctic Ocean to the north; Canada borders the United States in the south and in the northwest. Canada has many different types of landscape, including: high mountains; prairie grasslands; different types of forests

Aboriginal Land title in Canada – Wikipedia

Crown land, also known as royal domain or demesne, is a territorial area belonging to the monarch, who personifies the Crown. It is the equivalent of an entailed estate and passes with the monarchy, being inseparable from it. Today, in Commonwealth realms such as Canada and Australia, crown land is considered public land and is apart from the monarch’s private estate. In Britain, the hereditary revenues of Crown lands provided income for the monarch until the start of the reign of George III, wh

Crown land – Wikipedia

The Canadas is the collective name for the provinces of Lower Canada and Upper Canada, two historical British colonies in present-day Canada. The two colonies were formed in 1791, when the British Parliament passed the Constitutional Act, splitting the colonial Province of Quebec into two separate colonies. The Ottawa River formed the border between Lower and Upper Canada.

The Canadas – Wikipedia

Canada is a country in North America. It is north of the United States. Its land reaches from the Atlantic Ocean in the east to the Pacific Ocean in the west and the Arctic Ocean to the north. Canada’s area is 9.98 million square kilometres, so it is the world’s second largest country by total area but only the fourth largest country by land area. It has the world’s longest coastline which touches three oceans. Canada has ten provinces and three territories. Most parts of the country have a cold
