From the infamous Scopes Monkey Trial, portrayed in Inherit the Wind, to the sensational war crimes trials that inspired Judgment at Nuremberg, celluloid trials have provided a compelling source of entertainment. Now t wo UCLA law professors/trial aficinados go behind the scenes of nearly 70 riveting courtroom movie dramas and comedies to demonstrate how directors make the legal system accessible to moviegoers.

This new two-volume set reproduces the easy-to-use, logically-organized format of Searching the Law for each of the 50 US states. Arranged by state and by topic within each state, it features: as complete a list as possible of all the legal research materials available for each state jurisdiction; thousands of citations to the legal literature of each state; materials applicable to more than one topic listed under each topic; repeated listings under each state and topic where they apply; and author, title, publisher, format and the latest known supplement for each citation.

This work is written primarily for law students who are learning negotiating skills in clinical courses, but it will serve equally well for lawyers and others who are interested in the topic of negotiation. The book has three main areas of emphasis. First, negotiating behavior of practicing lawyers fall into two main patterns-?cooperative? and ?aggressive?-and implications of those patterns is discussed. The author then covers the four stages of the negotiation process, and lastly lays out the legal rules and economic principles that apply to the negotiated settlement of disputes. The Appendices include transcripts to two lawyer-to-lawyer negotiations.

This volume contains all of the current New York Civil Practice Law and Rules and related statutes.
