Monsters in the Dungeons & Dragons fantasy role-playing game are generally the antagonists which players must fight and defeat to progress in the game. Since the game's first edition in 1974, a bestiary was included along other game manuals, first called Monsters & Treasure and now commonly called the Monster Manual. Described as an "essential" part of Dungeons & Dragons, the game's monsters have become notable in their own right, influencing fields such as video games and fiction, as well as po
