Evidence-Based
Mental Health is
one of a number
of resources
being developed
to help

Online Library Evidence Based

clinicians who
want to use the
strategies of
evidence-based
practice (EBP).

1 EBP harnesses
recent advances
in clinical
epidemiology,
biostatistics,
and information
science to
produce a
coherent and

Evidence-Based
...*

Evidence-based

Online Library Evidence Based

treatment became a popular phrase in the 1990s as mental health came to value the use of the scientific method. While mental health traditionally had relied on subjective reports of clinical

Online Library Evidence Based

effectiveness,
therapists and
other mental
health
professionals
began calling
for rigorous
studies to be
done to
determine the
efficacy of
treatments and
how to best
implement them.

••• Norton

Rationale, aims,
and objectives

Evidence-based
medicine (EBM)

has given rise
to

evidence-based
practice (EBP)

in the field of

Online Library Evidence Based Mental Health.

EBP too is
predicated on an
evidence

hierarchy and
has the goal of
using the “best
evidence”

(usually
randomized
controlled
trials) to
improve
practice.
