Hands-on information on topics like acquiring the right training and making the transition from other fields is written in an accessible manner by a successful and experienced coach. Whether you're a novice or an established coach looking to expand your practice, you will benefit from the step-by-step plan for setting up and operating a lucrative executive coaching practice.

## ~~Executive Coaching: Building and Managing Your ...~~

Executive coaching is becoming a ' hot topic ' for meeting senior management development needs in many organisations. As originally conceived, executive coaching was seen as being a remedial process: a method of personalised, short-term, intensive training to address and cure management performance deficiencies (Thach and Heinselman, 1999).

## ~~Executive Coaching: Inspiring Performance at Work~~

Coaching employees involves teaching them how to arrive at a solution on their own. It ' s about teaching critical-thinking skills that lead to self-reliance instead of just falling back on the boss. Managing is typically a one-way street; coaching relies on open communication in both directions (employee to supervisor and supervisor to employee).
