Discussion:Fraud and Abuse in Medicare Billing ...
Medicare fraud, waste, and abuse come from a series of laws designed to protect all parties involved in Medicare and Medicaid. The laws promote healthy relationships between agents, carriers, and clients and prevent the insurance industry from becoming profit-based, instead of care-based. Your coverage should be more important than profits.

What is Medicare Fraud, Waste, and Abuse ...
Medicare abuse includes practices that result in unnecessary costs to the Medicare program. Any activity that does not meet professionally recognized standards or provide patients with medically necessary services is considered abuse. Committing abuse is illegal and should be reported. Common types of abuse include:

Abuse defined - Medicare Interactive
The Centers for Medicare & Medicaid Services define fraud and abuse as two different offenses: Fraud is an intentional deception or misrepresentation of services that an individual knows to be false and could result in an unauthorized reimbursement to a practice.
