Introducing an essential addition to the 5-million-copy bestselling Brain Quest Workbook series! 5th graders can reinforce what they learn in school with a workbook from Brain Quest. The book boasts 300 pages jam-packed with curriculum-based activities and exercises in every subject, with a focus on math and language arts. Original full-color illustrations throughout give the book a bright, lively style that will appeal to older kids. It is engaging, user-friendly, and written to make schoolwork fun. Fifth graders will enhance their skills in reading comprehension, multiplication and division, fractions and decimals, algebraic thinking, and probability and data. The workbook covers spelling and vocabulary, writing, social studies, science, and more. Written in consultation with the Brain Quest Advisory Panel of award-winning teachers specific to each grade level, and with all content aligned with Common Core standards. Plus fun stuff: Each workbook comes with a mini-deck with 100 all-new Brain Quest questions and answers.

These workbooks provide hundreds of fun pages for practicing all the skills kids need to succeed in each grade. Compiled from the popular Reading Skills, Spelling Skills, Math Skills, Language Arts, Writing Skills, and test Prep series, these colorful workbooks include: High interest stories to develop reading proficiency; exercises in math problems students will face; grade appropriate spelling words grouped by vowel sound or suffix; lessons in parts of speech, usage, and constructing sentences; creative prompts for writing sentences, letters, and even short reports; and practice in using standardized test formats. Harcourt Family Learning Workbooks are a comprehensive line of workbook developed through a partnership with Harcourt, a leading educational publisher. Based on national teaching standards, these workbooks provide complete practice in math, reading, and other key subject areas.
