A love story set in 1930s England that follows 17-year-old Cassandra Mortmain, and the fortunes of her eccentric family, struggling to survive in a decaying English castle.

I Capture the Castle (2003) - IMDb

I Capture the Castle is the first novel by the British author Dodie Smith, written during the Second World War when she and her husband Alec Beesley (also British and a conscientious objector) were living in California. She longed for home and wrote of a happier time, unspecified in the novel apart from a reference to living in the 1930s.

I Capture the Castle - Wikipedia

In my Vintage edition of 'I Capture the Castle' there is an introduction by the excellent Valerie Grove in which she tells of Dodie Smith writing this, her first novel, in California in 1945 in 'a fever of nostalgia' for England. She was 'tormented by the book' and revisions went on for two years as she painstakingly rewrote every line. It paid off. The book was a triumph and it ...

I Capture The Castle (Vintage Classics): Amazon.co.uk ...

I had never heard of I Capture the Castle until a friend gave it an extremely strong recommendation. Dodie Smith is the author of The 101 Dalmatians (the original basis for the Disney movie, and the only reason I was familiar with her name), which I read many years ago and really enjoyed.

I Capture the Castle by Dodie Smith - Goodreads

After his successful first novel, James Mortmain (Bill Nighy) has been unable to write for 12 years, retreating to his decrepit family castle with his second wife, Topaz (Tara Fitzgerald), and...

I Capture the Castle (2003) - Rotten Tomatoes

In an attempt to distract myself, I picked up I Capture the Castle - a book totally different from the kind I'm usually attracted to. The first thing that struck me is that voice!

Book of a lifetime: I Capture the Castle, By Dodie Smith ...

Based on Dodie Smith's much-loved novel, I Capture the Castle turns out to be an equally lovely film, delightful and surprisingly wise. When her family moves into a glamorous castle in the countryside, Cassandra (Romola Garai) imagines great things will happen. But the decaying castle loses its appeal as her novelist father (Bill Nighy) develops writer's block and her mother dies of cancer ...

I Capture the Castle - AbeBooks

“When I read a book, I put in all the imagination I can, so that it is almost like writing the book as well as reading it - or rather, it is like living it. It makes reading so much more exciting, but I don't suppose many people try to do it.” ? Dodie Smith, I Capture the Castle tags: imagination, reading, reading-books

I Capture the Castle Quotes by Dodie Smith

A deceptively complex and intelligent story, I Capture the Castle is Smith's first published work and one which will undoubtedly and simultaneously make listeners tut, laugh and reminisce.

Parents Guide - IMDb

Book review of Dodie Smith's coming-of-age novel, I Capture the Castle (1948).

One of the 20th Century's most beloved novels is still winning hearts! I Capture the Castle tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle"-- and the heart of the reader-- in one of literature's most enchanting entertainments. “This book has one of the most charismatic narrators I've ever met.” -- J.K. Rowling, author of the Harry Potter series

The story of 17-year-old Cassandra and her family, who live in not-so-genteel poverty in an English castle, "I Capture the Castle" is as brightly witty and adventuresome today as it was when it was first published over 60 years ago.

Dodie Smith's The Hundred and One Dalmatians, later adapted by Disney, was declared a classic when first published in 1956. The Starlight Barking, Dodie's own long-forgotten sequel, is a thrilling new adventure for Pongo and his family, lavishly illustrated by the same artist team as the first book. As the story opens, every living creature except dogs is gripped by an enchanted sleep. One of the original Dalmatian puppies, all grown up since the first novel, is now the Prime Minister's mascot. Relying on her spotted parents for guidance, she assumes emergency leadership for the canine population of England. Awaiting advice from Sirius, the Dog Star, dogs of every breed crowd Trafalgar Square to watch the evening skies. The message they receive is a disturbing proposition, one that might forever destroy their status as "man's best friend."

Seventeen-year-old Althea is the sole support of her entire family, and she must marry well. But there are few wealthy suitors--or suitors of any kind--in their small Yorkshire town of Lesser Hoo. Then, the young and attractive (and very rich) Lord Boring arrives, and Althea sets her plans in motion. There's only one problem; his friend and business manager Mr. Fredericks keeps getting in the way. And, as it turns out, Fredericks has his own set of plans . . . This witty take on the classic Regency--Patrice Kindl's first novel in a decade--is like literary champagne!

Holden, Edith's *The Country Diary of an Edwardian Lady*, and *The Nature Notes of an Edwardian Lady* have been a marketing sensation in Europe persisting throughout the years as a perennial bestseller in the gift and book markets in the form of stationery, address books, craft books, and calendars. We are very pleased to be the first U.S. publisher to offer Edith's timeless watercolors.

THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s

One of the brilliant titles in Jean Ure's acclaimed series of humorous, delightful and poignant stories written in the form of diaries and letters which make them immediately accessible to children.

A July 2019 Indie Next List Great Read *One of Parade's Most Anticipated Books of Summer 2019* *An O Magazine Best Beach Read of 2019* *A New York Post Best Beach Read of 2019* "The Last Book Party is a delight. Reading this story of a young woman trying to find herself while surrounded by the bohemian literary scene during a summer on the Cape in the late '80s, I found myself nodding along in so many moments and dreading the last page. Karen Dukess has rendered a wonderful world to spend time in." —Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* A propulsive tale of ambition and romance, set in the publishing world of 1980's New York and the timeless beaches of Cape Cod. In the summer of 1987, 25-year-old Eve Rosen is an aspiring writer languishing in a low-level assistant job, unable to shake the shadow of growing up with her brilliant brother. With her professional ambitions floundering, Eve jumps at the chance to attend an early summer gathering at the Cape Cod home of famed New Yorker writer Henry Grey and his poet wife, Tillie. Dazzled by the guests and her burgeoning crush on the hosts' artistic son, Eve lands a new job as Henry Grey's research assistant and an invitation to Henry and Tillie's exclusive and famed "Book Party"— where attendees dress as literary characters. But by the night of the party, Eve discovers uncomfortable truths about her summer entanglements and understands that the literary world she so desperately wanted to be a part of is not at all what it seems. A page-turning, coming-of-age story, written with a lyrical sense of place and a profound appreciation for the sustaining power of books, Karen Dukess's *The Last Book Party* shows what happens when youth and experience collide and what it takes to find your own voice.

Lark Rise to Candleford captures a piece of social history in this ever popular fictional account of an English rural upbringing between the wars. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition contains all three books – *Lark Rise*, *Over to Candleford* and *Candleford Green* with an introduction by Bill Gallagher, screenwriter of the hugely popular BBC television adaptation. Laura Timms spends her childhood in a country hamlet called Lark Rise. An intelligent and enquiring child, she is always attentive to the way of life around her – the lives of a farming community and nature as it transforms through the seasons, their working lives together and their celebrations. Whilst much is to be admired and cherished about her community, when she looks back on it as an adult she doesn't shy away from describing hardship too. Laura attends the village school and leaves at the age of fourteen to work for the postmistress of the village of Candleford. There her eyes are opened to wider horizons.
