## Jung And Tarot

Tarot reading, from Jung's point of view, is a process that unveils the unconscious and which follows the perennial clues of psychic alchemy. It is said that Swiss psychologist Carl Jung discovered "the internal Tarot" of the human mind with his notion of archetypes.

# Online Library

## Jung And Tarot

And it could be also argued that Tarot was already an underlying layer of the collective mind, which is where archetypes are printed —those fundamental images that constitute the psychic constellation of the human being.
