Life Lessons Series by Kaje Harper - Goodreads

I love Kaje Harper she takes ordinary people and lives and writes about them beautifully. This is the first book in the Life Lessons series and the MC Tony is leaving work when a dead body falls through the lift doors. The other MC is Mac a homicide detective who is called out to investigate the murder. I liked both elements of this book.

“Life Lessons” is the first installment in Kaje Harper’s series “Life Lessons”. This was my second book by this author and I’m pleased to say it was as good as the first one. “Life Lessons” has everything I enjoy in a book – solid plot, great dialogue, endearing characters and most of all fantastic writing. Needless to say, I was hooked from the beginning.

Breaking Cover (Life Lessons, #2) by Kaje Harper

In this final installment of Kaje Harper's Life Lessons series, it's hard to remember there was ever a point in time when Mac was deeply closeted, Tony was so in love, he was (unhappily) willing to live there with him, they weren't married, they weren't parents, and their future as a couple was fragile and tenuous.

-- Life Lessons Series-- I've been meaning to read the Life Lessons series by Kaje Harper for awhile now but have not as of yet gotten around to it, so I was overjoyed when I noticed that my Goodreads book club was reading the first book in the series, Life Lessons. Now, this author is not new to me.

Life Lessons - Kindle edition by Harper, Kaje. Literature ...

In "Learning Curve," book four of the "Life Lessons" series by Kaje Harper, we seem to have hit the penultimate moment in the history of Tony Hart and Jared MacLean. I don't think it's the end - I really see one more book here - a few of the loose ends yet to be tied off. And I think Josh Lanyon has gotten a run for his money in Kaje Harper's latest.
