In unit 1 of the first-grade units, Lucy and her coauthors invite teachers to establish ability-based partnerships that thrive on the social power of peer-based reading. Across the next unit, children study comprehension, word solving, vocabulary, and fluency in nonfiction. Unit 3 focuses on phonics to set readers up for complex texts.

The report was released by the nonprofit educational consulting group Student Achievement Partners (SAP). The group asked prominent reading researchers to review Calkins' Units of Study, more commonly known as "reading workshop." It appears to be the first time a group of reading researchers has reviewed a curriculum and determined whether the lessons reflect more than 40 years of scientific ...
