Community art, also sometimes known as "dialogical art", "community-engaged art", or "community-based art", refers to

Where To Download New Creative Community The

Art Of Cultural Development
The practice of art based in and generated in a community setting. Works in this form can be of any media and are characterized by interaction or dialogue with the community. Professional artists may collaborate with communities which may not normally engage in the arts. The term was defined in the late 1960s as the practice grew in the United States, Canada, the Netherlands, the
