Kathryn Kuhlman presents the God she knew--the God who is a specialist in doing the impossible and who is able to do anything but fail.

A journey into the glittering, surreal heart of 21st century Russia, where even dictatorship is a reality show Professional killers with the souls of artists, would-be theater directors turned Kremlin puppet-masters, suicidal supermodels, Hell's Angels who hallucinate themselves as holy warriors, and oligarch revolutionaries: welcome to the wild and bizarre heart of twenty-first-century Russia. It is a world erupting with new money and new power, changing so fast it breaks all sense of reality, home to a form of dictatorship-far subtler than twentieth-century strains-that is rapidly rising to challenge the West. When British producer Peter Pomerantsev plunges into the booming Russian TV industry, he gains access to every nook and corrupt cranny of the country. He is brought to smoky rooms for meetings with propaganda gurus running the nerve-center of the Russian media machine, and visits Siberian mafia-towns and the salons of the international super-rich in London and the US. As the Putin regime becomes more aggressive, Pomerantsev finds himself drawn further into the system. Dazzling yet piercingly insightful, *Nothing Is True and Everything Is Possible* is an unforgettable voyage into a country spinning from decadence into madness.

Battle is the severest test a man can be called upon to undergo; it can bring out the best in a man and the worst...The author of this book, Victor Miller, joined the Queen's Royal Regiment, at Guildford, upon the outbreak of the Second World War. He volunteered for the elite Glider Pilot Regiment upon its formation and passed, with above average marks, the RAF pilot training programme. From here, he was to take part in three of the most iconic airborne operations of the entire conflict. The invasion of Sicily, the Allies first attack in to Europe, where he was wounded and temporarily taken prisoner; Arnhem, where the 1st Airborne Division struck sixty-four miles behind enemy lines only to clash with two SS Armoured Panzer Divisions resulting in 80% losses in nine days; and the assault crossing of the Rhine, into Germany proper, with 'only' 30% losses. This remarkable story, jotted down shortly after each operation when the events were still vivid in the author's mind, is an astonishing record of skill, bravery, comradeship and resourcefulness which represents a fitting tribute to many fallen friends and colleagues. The book was published initially in 1994, before the author's death. This posthumous edition comes with brand new supplementary content, drawn together by the author's sons and family.

Within the pages of this book is a fascinating and inspiring account of how an Iranian, who originally came to the United States as a student, became a millionaire in selling. His story sparkles with fresh ideas, wit, and humor, and can be applied in a most practical way ... to YOUR life and career.
