in the 1st grade should be able to count to 120. By 2nd grade students are expected to understand multi-digit numbers up to 1,000. For struggling students, there is a huge number sense gap that needs to be filled.

3 Math Routines to Build Number Sense - Mr Elementary Math

It wasn't until I read Number Sense Routines: Building Numerical Literacy Every Day in Grades K-3 ,by Jessica F. Shumway, that I truly understood what number sense was and found ways I could support that understanding in my classroom. Since reading the first chapter of the book, I have incorporated a number routine in my daily schedule, and from the very first one, I have seen my students' understanding of
