Orchestrating the Instruments of Power : Nebraska Press  
Orchestrating the Instruments of Power is a must read for both national security and presidential scholars. For the latter, American history of the last 70 years is replete with examples illustrating how presidents succeeded or failed depending on how they led, administered, and used the national security system under its original intent.

Orchestrating the Instruments of Power: A Critical ...  
National security, a topic routinely discussed behind closed doors by Washington ' s political scientists and policy makers, is believed to be an insider ' s game. All too often this highly specialized knowledge is assumed to place issues beyond the grasp—and interest—of the American public. Author D. Robert Worley disagrees. The U.S. national security system, designed after World War II ...
