Comprehension strategies include summarization. Not the ability to write a summary, but the use of summarization as a technique for increasing understanding and recall. When reading a challenging text, an effective reader may stop occasionally to sum up the text. Summarizing occasionally during reading, develops a clearer understanding of a text.

Seven key principles from Finland for building a culture of trust in schools around the world. In the spring of 2018, thousands of teachers across the United States—in states like Oklahoma, Kentucky, and Arizona—walked off their jobs while calling for higher wages and better working conditions. Ultimately, these American educators trumpeted a simple request: treat us like professionals. Teachers in many other countries feel the same way as their US counterparts. In Teachers We Trust presents a compelling vision, offering practical ideas for educators and school leaders wishing to develop teacher-powered education systems. It reveals why teachers in Finland hold high status, and shows what the country's trust- based school system looks like in action. Pasi Sahlberg and Timothy D. Walker suggest seven key principles for building a culture of trust in schools, from offering clinical training for future teachers to encouraging student agency to fostering a collaborative professionalism among educators. In Teachers We Trust is essential reading for all teachers, administrators, and parents who entrust their children to American schools.

Being a great teacher is more than lesson plans and seating charts. In this revised and expanded new edition of the classic bestseller, you learn what it takes to be the very best educator you can be, starting from day one in your new classroom! Filled with real-world life lessons from experienced teachers as well as practical tips and techniques, you'll gain the skill and confidence you need to create a successful learning environment for you and your students, including how to: Organize a classroom Create engaging lesson plans Set ground rules and use proper behavior management Deal with prejudice, controversy, and violence Work with colleagues and navigate the chain of command Incorporate mandatory test preparation within the curriculum Implement the latest educational theories In this book, veteran teacher Melissa Kelly provides you with the confidence you'll need to step into class and teach right from the start.

Comprehension instruction is widely recognized as an essential component of developing students' pleasure and profit from reading. Yet despite significant recent gains in knowledge about how comprehension develops and how it can be taught effectively, classroom practice still lags behind research in this crucial area. This volume brings together the field's leading scholars to summarize current research and provide best-practice guidelines for teachers and teacher educators. Each coherently structured chapter presents key findings on a particular aspect of comprehension, discusses instructional practices supported by the research, and addresses what still needs to be known in order to provide the best possible comprehension instruction for every student. Topics covered include assessment, curriculum, methods, and comprehension difficulties, from the preschool level through high school.

Designed around the real-world legal applications of reading comprehension, the Manhattan Prep Reading Comprehension LSAT Strategy Guide is an essential tool for a surprisingly tricky part of the LSAT. Containing the best of Manhattan Prep's expert strategies, this book will train you to approach the LSAT as a law student would approach a legal text—actively and with a purpose. The Reading Comprehension LSAT Strategy Guide teaches you how to recognize the core argument and then use it as a framework on which to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, it walks you through the process of annotation, discussing where and how to take notes in order to maximize your comprehension without eating up precious time. It also looks at what types of questions the LSAT asks and then arms you with the skills you need to spot issues and identify correct answers. Each chapter in the Reading Comprehension LSAT Strategy Guide features drills and full practice sets—made up of real LSAT questions—to help you absorb and apply what you've learned, while numerous, in-depth solutions walk you through the process of selecting the right answer and help you to achieve mastery. Further practice sets and other additional resources are included online and can be accessed through the Manhattan Prep website. Used by itself or with other Manhattan Prep materials, the Reading Comprehension LSAT Strategy Guide will push you to your top score.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

"Prepare students for future success by using effective reading instruction that's proven to work. The Teaching Reading Sourcebook, updated second edition is an indispensable resource that combines evidence-based research with actionable instructional strategies. It is an essential addition to any educator's professional literacy library--elementary, secondary, university." -- back cover.

In this fully revised and expanded third edition of the bestselling Reciprocal Teaching at Work, Lori D. Oczkus provides both tried-and-true and fresh solutions for teaching reading comprehension. Reciprocal teaching is a scaffolded discussion technique that builds on the Fab Four strategies that good readers use to understand text: predicting, questioning, clarifying, and summarizing. With a focus on these four evidence-based and classroom-tested strategies, Oczkus presents new ways to use reciprocal teaching to improve students' comprehension while actively engaging them in learning and encouraging independence. Appealing to students and teachers alike, reciprocal teaching encompasses social aspects of teaching and learning with modeling, think-alouds, and discussion. This helpful guide is packed with fresh material, including \* More than 40 new and updated step-by-step lessons and minilessons that reflect current thinking and best practice. \* Dozens of rich suggestions for diving into informational texts. \* Updated research and relevant results that show the effectiveness of reciprocal teaching. \* Creative and targeted tips that capitalize on the specific benefits of whole-class settings, guided reading groups, and literature circles. \* Ideas for differentiating instruction for struggling readers and English language learners. \* New and newly designed support materials, including reproducibles, posters, bookmarks, and a lesson planning menu. With a wealth of ideas to get you started—and keep you going—this is the all-inclusive resource you need to help students become active, engaged, and independent readers who truly comprehend what they read. Reviews and Testimonials "Literacy coach and author Lori Oczkus knows how to take the best of what works from long-established research and showcase it to make teaching and learning more effective, engaging, and enjoyable. In her latest edition of Reciprocal Teaching at Work, she demonstrates how to scaffold instruction so that all K-12 students can benefit from reciprocal teaching techniques, what she calls the "Fab Four"—predicting, questioning, clarifying, and summarizing—in whole-group, guided reading, and book club settings, for both fiction and informational texts. In clearly delineated lessons and minilessons, Lori deftly shares how to support students' learning, including English language learners and students who struggle, so they can successfully apply and monitor those four discussion strategies—as well as troubleshoot problems—to yield significant progress in their reading comprehension. Filled with great practical ideas, this gem of a book is a must-have for all literacy educators!" —Regie Routman, author of Read, Write, Lead: Literacy Essentials, and Reading Essentials "Reciprocal teaching works to push students into deeper learning. There are decades of research on the impact of this instructional approach, and this book shows you how to implement and refine the practice such that all students succeed." —Doug Fisher, author of Checking for Understanding and Visible Learning for Literacy "One of the great instructional research discoveries of the past three decades has been the efficacy of reciprocal teaching for improving student learning and reading comprehension. More than anyone, Lori Oczkus has explored practical ways for making reciprocal teaching an integral part of nearly any classroom setting. This current work by Lori represents the epitome of her work in translating reciprocal teaching research into practice. Readers will find this immensely readable book filled with strategies that can be easily implemented and that will improve student learning. If you are interested in improving your students' reading achievement, you need to read this book!" —Timothy Rasinski, author of The Fluent Reader and Close Reading with Paired Texts "In this new edition of Reciprocal Teaching at Work, Lori Oczkus offers new thinking while reinforcing the best practices that make her ideas timeless. Through these engaging lessons and smart instructional moves, you will empower your students to build the confidence and competence they need to become strong, independent readers." —Donalyn Miller, author of The Book Whisperer "On every page of this book, in every activity and plan, the voice of a gifted and empowering teacher inspires the reader. In a major revision of her classic work, Lori Oczkus engages the immediacy and demands of today's classrooms with the most robust constellation of strategies for teaching comprehension. She compellingly demonstrates how the "Fab Four" are engaged across the grades, and she powerfully scaffolds, supports, and reassures teachers in their efforts to incorporate reciprocal teaching across a broad communication, textual, and digital terrain." —Shane Templeton, Foundation Professor Emeritus of Literacy Studies University of Nevada, Reno, NV
