(CAP) is the agricultural policy of the European Union. It implements a system of agricultural subsidies and other programmes. It was introduced in 1962 and has undergone several changes since then to reduce the cost (from 73% of the EU budget in 1985 to 37% in 2017 [1]) and to also consider rural development in its aims.

The Common Agricultural Policy (CAP) was established in the EU in the late 1960s.

It is aimed to support farmers' incomes while encouraging them to produce high quality food products to meet consumer demand.
