Mussolini boisterously narrates his life story, first as a Socialist Radical in his youth, then as a Fascist strongman following World War I. "My Autobiography," first published in 1928, is an in-depth account of the life of a Fascist Revolutionary who inspired countless movements across Europe and was widely (although falsely) credited with suppressing the Bolshevik movement in Europe.

The book covers Eddie early and family life and of course his journey to becoming the strongest man in the world. The road is not easy. It takes someone like Eddie's do or (literally) die attitude to make it happen. Eddie calmly take about injuries and situations that probably would have killed most people.
