Guidelines for Mathematical Development in the Foundation ...

The early years maths activity: – Smack the Number Counting Game by Fun Learning for Kids. In a nutshell – Prepare some sticky notes with various numbers and place them in front of the children armed with fly swatters. The goal of this simple yet fun game is for the little ones to identify the number on the dice and match it with the ones written on sticky notes before smacking the correct answer with a fly swatter!

Supporting Mathematical Development in the Early Years.

Building on the strengths of the previous edition, this new edition of Supporting Mathematical Development in the Early Years has been comprehensively updated to reflect the widespread changes that have taken place in the curriculum for 0-7. Current research is referenced, with further investigation on areas such as SEN, EAL, the very early years, the role of play and the role of ICT. Pound successfully examines the specific demands of ...
