History of England I've loved and lived with the story of the history of the English for as long as I can remember. This is my retelling of that story, in a regular, chronological podcast; we go from the cataclysmic end of Roman Britain, and at some point will get all the way through to the present day.

**History of England—The History of England**

English is a West Germanic language that originated from Anglo-Frisian dialects brought to Britain in the mid 5th to 7th centuries AD by Anglo-Saxon migrants from what is now northwest Germany, southern Denmark and the Netherlands. The Anglo-Saxons settled in the British Isles from the mid-5th century and came to dominate the bulk of southern Great Britain. Their language, now called Old English, originated as a group of Anglo-Frisian dialects which were spoken, at least by the settlers, in Engl

**History of English—Wikipedia**

History as taught in English schools is very incomplete and kids tend to end up knowing something about Henry 8th or World War Two and very little about the broad picture and a feeling of what 1000 years ago actually means.

**Welcome to a History of England—History of England**

England, Scotland, and Ireland had shared a monarch for more than a hundred years, since the Union of the Crowns in 1603, when King James VI of Scotland inherited the English and Irish thrones from his first cousin twice removed, Queen Elizabeth I. Although described as a Union of Crowns, until 1707 there were in fact two separate crowns resting on the same head.

**List of English monarchs—Wikipedia**

The English people are an ethnic group and a nation native to England, who speak the English language of the Indo-European language family and share a common history and culture. The English identity is of early medieval origin, when they were known in Old English as the Angelcynn ('family of the Angles'). Their ethnonym is derived from the Angles, one of the Germanic peoples who migrated to ...
