What's different about Revelation Road? NP: The main difference is that this is a journey. It's not a commentary on Revelation, it's an exploration of the landscape ¶ literally, in fact, because it's partly a travel book. I went on a journey through the seven cities and then on to Patmos. It's also a journey through history.

A date with fire chief and widower Dominic Naess represents hope in a sea of pain and money problems. Wrong, big-time wrong. Sure, he shouldn't have done the twirling cartwheels with Dominic. How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

This book is book one of a trilogy, and is written as both a novel and a biblical commentary. George Thompson believes his grandson Tyler lives in the final generation. Middle East war and nuclear terror in America turn Tyler's world upside down. Once upon a time, the Bible predicted the end of time, and now the Thompsons need revelation about the road ahead. Join them on their journey and discover how their gripping story uncovers the silver lining of hope against the backdrop of global gloom and doom. Revelation Road, Hope Beyond the Horizon, puts you in the center of the end times calendar. You are invited to enjoy a one-of-a-kind reading experience. Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version; Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture-a perspective missing in many Protestant commentaries.

From his boyhood in Tipperary, Kildare, and Donegal to the pinnacle of biblical scholarship, John Dominic Crossan's adventurous spirit has led him to seek out the truth no matter where it leads. In this delightful memoir, the former monk and controversial biblical scholar tells how his work as a pioneering historical Jesus expert has led him from the traditional Catholicism of his youth to a more complex, sophisticated faith. With characteristic wit and candor, he describes the joys and challenges of growing up in Ireland and reveals how his life experiences—from Ireland to America, Rome, and Israel, from monastery to university, from priesthood to marriage/have shaped his understanding of God, Jesus, the Church, and what it means to be a true Christian.

Introducing a remarkable new character from #1 New York Times bestselling writer David Baldacci: Atlee Pine, an FBI agent with special skills assigned to the remote wilds of the southwestern United States who must confront a new threat . . . and an old nightmare. Eeny, meeny, miny, moe. Catch a tiger by its toe. It's seared into Atlee Pine's memory: the kidnapper's chilling rhyme as he chose between six-year-old Atlee and her twin sister, Mercy. Mercy was taken. Atlee was spared. She never saw Mercy again. Three decades after that terrifying night, Atlee Pine works for the FBI. She's the lone agent assigned to the Shattered Rock, Arizona resident agency, which is responsible for protecting the Grand Canyon. So when one of the Grand Canyon's mules is found stabbed to death at the bottom of the canyon-and its rider missing-Pine is called in to investigate. It soon seems clear the lost tourist had something more clandestine than sightseeing in mind. But just as Pine begins to put together clues pointing to a terrifying plot, she's abruptly called off the case. If she disobey's direct orders by continuing to search for the missing man, it will mean the end of her career. But unless Pine keeps working the case and discovers the truth, it could spell the very end of democracy in America as we know it... "Love it!" --Lisa Gardner"Atlee Pine is unforgettable." --James Patterson "David Baldacci's best yet." --Lisa Scottoline "Heart-poundingly suspenseful." --Scott Turow "A stunning debut." --Douglas Preston "A perfect blend of action, secrets, and conspiracies." --Steve Berry "Baldacci is at the top of his game." --Kathy Reichs
