Title: The winter garden mystery Series: A Daisy Dalrymple mystery

Format: Paperback Type: BOOK Publisher: C & R Crime UK Release Date: 20090827 Language: English View our feedback musicmagpieshop In this adventure Daisy Dalrymple embarks on another assignment for Town and Country magazine and discovers that daffodil bulbs aren't all that's buried in a country estate's flower bed!

While on assignment at gloomy Occles Hall, which is under the charge of the autocratic Lady Valeria, Daisy Dalrymple discovers the body of a missing parlor maid buried in the garden and must unearth a killer before she meets the same fate. Reprint.

In England, 1923, the Honourable Daisy Dalrymple has made a decision that, while shocking to her class, is in perfect keeping with the spirit of the times. Rather than live with relatives until she marries, she has undertaken to earn her own living with her writing. Her series of articles on country manor houses has proven popular with the readers of Town and Country and in February she travels to Occles Hall to research her latest piece. What she finds there is a household under the thumb of the ill-tempered and demanding Lady Valeria. The discovery of the body of a pregnant maid buried in the winter garden does nothing to improve Lady Valeria's mood. When the local constabulary arrests the Welsh under-gardener who had been involved with the maid for the murder, Daisy is sure of his innocence and suspects that the whole affair is consciously being swept under the carpet. Wary of the air of secrecy that permeates Occles hall and determined to prove the innocence of the young Welshman, Daisy convinces Alec Fletcher of Scotland Yard to investigate the murder--a murder that is more complex and horrifying than either could have imagined.

So who put the body in with the spring bulbs? The merest hint of spring has arrived in Cheshire, and so has young reporter Daisy Dalrymple. The feisty flapper's visit is a breath of fresh air for gloomy Occles Hall. But while photographing the rather barren grounds, Daisy spots that someone's been digging among the first green shoots - and much to her horror unearths the corpse of missing parlour maid Grace Moss. So begins an extraordinary adventure, as first the dead woman's shocking secret is revealed and then Daisy swiftly realizes she needs to catch the killer before she herself is left pushing up the daisies . . . Praise for the Daisy Dalrymple series: 'Manners (P G Wodehouse-style) and mystery get equal time in a low-key story with considerable charm.' Kirkus Reviews 'Engaging . . . Dunn's style gives an entertaining spark.' Publishers Weekly
